## **2023 SCHOOL FEES**

The fees for the 2023 year have now been set by the School Principal in consultation with the Catholic Education Diocese of Wagga Wagga. These fees are routinely set in late Term 3 or early Term 4 of the previous year. Our school fees consist of a tuition fee with a discount structure for additional children. School fees are necessary to help provide the educational services for the children. It is usual to expect the fees to vary from year to year in line with the CPI.

**2023 fees will be charged for the whole year at the beginning of the year:**

**1st child Tuition Fees - \$1275.00**

**2nd child Tuition Fees - \$1020.00**

**3rd child Tuition Fees - \$637.50**

School fee accounts are sent home at the beginning of each year. School uniforms, activities and levies can be added to each family's account as they arise. A statement is then sent home at the start of every month.

Parents are encouraged to pay their fees via the Bpay details on their statement. Fees can be paid upfront, through regular payments (fortnightly/Monthly) via Bpay or cash/cheque to the school office.

For further information, please contact the Principal.
