

ST JOSEPH'S NEWSLETTER

Principal Mission Statement

I will work with the St Joseph's Jerilderie parent community and teachers to provide all students with an opportunity to grow and succeed. I will work to articulate the Values and Attitudes that St Joseph's Jerilderie is known for and support the professional growth of our teaching staff in 2020. John Carey

PRINCIPAL'S PARAGRAPHS

Dear Parents

Mrs Robertson - Upcoming Maternity Leave Position - Staffing at St Joseph's

We wish Mrs Robertson all the best for her upcoming Maternity leave. I had hoped to be in a position to announce Mrs Robertson's replacement but that is not to be. Mrs Robertson's position was readvertised and is closing Wednesday 8th April. I am working with Mrs Robertson to plan the direction of our Yr 2/3/4 class for Term 2 especially and for the remainder of the Year to guarantee continuity of content and learning. Information regarding Mrs Robertson's teacher replacement will be shared with our school community as soon as it comes to hand.

Planning for Term 2

Teachers are working towards planning and teaching online for Term 2. At this stage I don't know if it will be for the whole of Term 2, but our school is planning as if that will be the case. Thank you to our parent community for communicating with us when they have a question around a learning issue. Thank you to our teachers for being flexible and committed to our student learners.

Updating Information

During the week I will post through Compass all updates. A reminder that Week 11 is primarily for Teacher planning and any student contact will occur from 9am-10am.

Value for the Week - Learn and Let Learn

Everyone has been challenged to Learn and Let Learn over the last two weeks. May this value guide both our students and parents towards success and satisfaction in the coming months.

Peace be With You and Happy Easter.

John Carey - Principal

Let's not Forget Holy Week

It's been really hard to recognise and celebrate the major milestones in our Liturgical Calendar for 2020. This is HOLY WEEK. The most precious and Sacred time for Catholics all around the world. What can we do when we are separated from our community?

As we become better at implementing technology to be Entertained and to Learn, consider your Spiritual life. Please join the wider Catholic Communities this Easter as they celebrate the Major events of Holy Week and the Resurrection online. Use this site to find all masses and services celebrated Live through Holy Week and Easter.

SCHOOL INFORMATION

We have still had a few students coming to school due to parents working in essential services and as a special treat Mr Carey shouted everyone a yummy hot chocolate from the Jerilderie Bakery last Thursday! Lucky kids!

While most of our students have been away participating in their learning from home, things have still been busy at the school. Last week we had a concrete truck at school to fill the hole from our recent water leak.

It has been amazing to see how the students(and parents) learning from home have so quickly adapted to online lessons. Everyone did a great job last week of communicating with teachers and attending Zoom meetings. This week we see another change and we hope that all of our families can keep safe and rest at home for the next three weeks in preparation for Term 2.
