PRINCIPAL'S PARAGRAPHS

This week our school is focusing on Kind Words, Kind Actions. This is a critical Value and Attitude in any environment but especially for our school Community. To help understand what our school means by Kind Words-Kind Actions we have examples in our school of what this may look like.

- Showing sympathy and empathy
- Using our voice to convey positive messages
- Saying thank you for others, kind actions and words
- Being respectful to staff, other students and themselves
- Helping others and understanding that everyone is different, accidents happen-blame fairly, encourage others, be patient and forgive.

It doesn't look like,

- Swearing
- Hands on
- Taking and not asking
- Speaking rudely
- Teasing/ laughing at others
- Putting others down, negative comments
- Negative tone, body language, facial expression and volume

So let's work together to ensure we use Kind Words Kind Actions everyday.

Year 6 Leaders Day - Tomorrow our Yr 6 leadership group will be working with Catherine Healy around Leadership, what this means and how to be a good leader. Each of our Yr Six students have responsibility for a specific ministry that supports our student welfare and community participation. We are very grateful to the Council for waiving the room rental for our session at the meeting room in the Town Library.

There are so many opportunities at our school. Let's all work hard this week to make the most of them.
