PRINCIPAL'S PARAGRAPHS

Dear Parents

Our Value for the Week : Be Thankful

Some of the ways we see and hear, Being Thankful:

Please and thank you are always used. Looking after all our things. Putting theirs and others belongings away. Making sure that all our equipment is put away after playing. Thinking of things that we can be thankful for. One of the things I am thankful for is the opportunities our school presents to our students.

On Thursday Mrs Dickie will be here from 9am to begin planning for this year's school production. I'm looking forward to working with our school on this year's performance.

Our Diocesan team representatives are Swimming in Wagga on Wednesday and we wish them all the best. Good luck to Maggie, Darby, Mia B, Bobby, Nic, Matthew & Kizzi.

On Friday Yrs 3-6 will be competing in our Cricket Day. Please note Blue Earth has been changed to Monday 9th March. Students please wear full Sport Uniform on Monday.

School Support Meeting

Congratulations on coming together and working towards supporting our school. From my position I recognised that one of the key ideas we shared was communicating to all parents about what is happening and when. We also discussed the differing forms communication can take and what technology will best suit our group especially when considering how to best collate information and organise people who are helping with particular projects. I look forward to our next meeting.

Lent

Our Lenten Journey has begun. Our students travelled to Berrigan on Ash Wednesday and we were made to feel very welcome. Thank you to Father Rick Micallef and Helene Cahill.

Peace be With You, Mr John Carey-Principal

THIS SCHOOL IS A

ZONE!**

2/3/4 CLASSROOM ITEM

This term the students in 2/3/4 are exploring the American artist Wayne Thiebaud who is best known for his still life's of edible treats like donuts, ice-creams and cakes. The students have so far explored and discussed a range of Wayne Thiebaud's artworks and have created a watercolour painting of 6 delicious donuts, which have been transformed into a donut quilt. We're now working on creating our own 3D donuts which has begun by forming the donut shape using rolled up newspaper, wrapped with masking tape. We will then begin the process of wrapping the donut with paper mache followed by the painting.

We can't wait for you to see the results of our mouth-watering delights!

FAREWELL TO MCGILLIVRAY FAMILY

Last Friday we sadly farewellled Callum & Jaden McGillivray. The 2/3/4 & 5/6 class shared a delicious surprise cake with the boys.

We also sent them off with a card of well wishes.

We wish them and their family all the best in their move to Alice Springs.

WOOLWORTHS CRICKET BLAST SCHOOL CUPS

Cricket NSW has offered our school the opportunity to participate in the Jerilderie Woolworths Cricket Blast School Cup on Friday 6th March with Jerilderie Public School. This program is for grades 3-6.

There is no cost involved in this program and all equipment is provided. Students need to bring their recess, lunch, drink bottle and school hat.

We will walk down to Monash Park at 9am and return to school at 2:15pm.

Note/Payment Reminders

We currently have the following notes outstanding that need to be returned by parents.

- General Permission Notes
- Contact information update
- Electronic Permission notes
- School Fee Payment Agreements
- Diocesan Swimming Permission(Compass)

P&F NEWS

Parent Messenger Group

After last weeks Fundraising & Social Meeting it was decided that a Parent messenger group would be set up to communicate with our parents about Fundraising and Social Events. Keep a look out for messages from our P&F group.

Family Fun Day - Please see below flyer for our upcoming social event. We hope to see all of our families there.

Canteen News

It has been noted that many of our students don't know what recess they have ordered when going to canteen. Could all parents please discuss orders with their children to save time for the canteen helpers.

SCHOOL INFORMATION

School Fee Payment Agreement

In week 3 all school fees were sent home to families. Attached was a School Fee Payment Agreement which each family must fill out and return to the school by this Friday. All payment options available are listed on this form. If anyone has any concerns about their school fees please contact the school office.

Head Lice

Last week we had a case of head lice reported to our school office. It would be greatly appreciated if all parents could check their children's hair tonight and make a habit of checking it weekly to stop the spread of head lice.

Tissues

Could all families please send in a couple of boxes of tissues to be used in the classroom. As you can imagine the school goes through a lot of tissues each week. Your assistance would be most appreciated.
