PRINCIPALS MESSAGE

Well Term 2 has got off to a flying start with students, staff and parents very busy. I would like to take this opportunity to thank the parents for their hard work fundraising for the start of 2019. The lunch provided for the Staff Development Day last week was delicious by all accounts.

Our students have also been busy with scarecrow building and working with robots. A small team of students went to Holbrook yesterday for the Diocesan Cross Country. All students put in a great effort and we would especially like to mention Georgia Belling who came 5th place and is eligible to compete, yet again, in Sydney at the Mackillop Carnival.

Thanks to all parents who attended last night's School Council AGM. The structure of our School Council has now changed and we no longer require executive positions which will take the pressure off our parents. I encourage all families to attend the next meeting on 14th June where a social & fundraising committee will be formed.

WE WOULD LOVE TO SEE ALL OF OUR MUM'S AND SPECIAL LADIES AT OUR MOTHER'S DAY HIGH TEA TOMORROW AFTERNOON AT 2.30PM.

Join us for afternoon tea

Happy Mother's Day High Tea.

St. Joseph's Primary School Staff and students invite you to a High Tea to celebrate Mothers, Grandmothers, Aunts, Daughters and Friends.

MOTHERS DAY STALL

This Wednesday during lunch time the P&F will be running a Mothers Day Stall. If your child would like to purchase a small gift please send some coins. All gifts are under \$10.

Change of Uniform

As the weather starts to cool down we wish to remind our students that it is time to change over to winter uniform including a tie. All students should be in winter uniform by Week 3. Just a reminder of our uniform days.

Monday/Tuesday & Thursday - Full winter uniform

Wednesday & Friday - Sports Uniform

If anyone requires new uniforms please speak to Katrina Muto or see Carmen in the office.

AROUND THE SCHOOL

Yesterday while other students were at Cross Country the Years 2-6 students explored coding with some Robot mice and made to Scarecrows for our garden.

Have you had a look at the garden yet!! It really is coming along. We have some broccoli & cauliflower planted and have recently put in some fruit trees.

Music lessons are continuing in Term 2. Today we had George Maddison at school teaching Flute, Clarinet & Saxophone. Keep any eye out for our upcoming Music Assembly later in the term to see how the students are going.

Mrs Doyle was again working with the K/1 students today on their Maths.
