## SCHOOL/DEANERY ATHLETICS

This Friday our whole school will be traveling to Finley for the Deanery Athletics. To allow our students to use the best facilities and equipment available and also capitalise on a greater number of helpers to run a smoother carnival. All South West Deanery schools will participate in the one athletics carnival. With individual school results and deanery results both being recorded on the day. Deanery results will be awarded on the day and school specific results will be awarded at a school assembly. Students will travel to and from Finley on the Willawa Bus and Roes Bus. If parents are attending the carnival they are able to take their children home with them if they seek permission from a teacher.

We would love to see as many of our parents as possible at the carnival and would appreciate anyone who can assist on the day. Please complete the online permission note that was sent out yesterday as soon as possible.

A meal deal is available on the day. All lunch orders must be into the school office by Wednesday(no late orders) on a brown paper bag with the correct money.

## Woolworths Earn & Learn Program

This year our school is participating in the Woolworths Earn & Learn program. Families that shop at Woolworths can collect stickers between now and 25th June 2019. All stickers must be handed into the school office before the finishing date. The school then has the opportunity to redeem them for new sports equipment and resources.

This is a simple way to get new resources for our school so please get on board if you shop at Woolworths. All stickers can be handed in individually or on the sticker collection sheets handed out this week. More sheets are available online or at the school office.

**Shop**

Earn one sticker for every \$10\* spent at Woolworths.

## SCHOOL INFO

### Change of Uniform

As the weather starts to cool down we wish to remind our students that it is time to change over to winter uniform including a tie. All students should be in winter uniform by Week 3. Just a reminder of our uniform days.

Monday/Tuesday & Thursday - Full winter uniform

Wednesday & Friday - Sports Uniform

If anyone requires new uniforms please speak to Katrina Muto or see Carmen in the office.

### Air Diffusers

This week the school has received air diffusers for all of our classrooms. These will be used to support students health and focus during classroom time. So if you notice a nice eucalyptus or lavender smell coming from the classrooms you will know where it is coming from.

## NAPLAN

Today our Year 3 & 5 students started their NAPLAN testing with their Writing Assessment. Testing will continue for the next couple of days. Parents are asked to assure their children that this testing is to see where they are up to at school and what they know. There is no pressure to perform. Any students who miss a NAPLAN day can catch up one day in the next two weeks.

Thankyou to Maria & Mr Braybon for giving the students some delicious brain food after their test. As you can see it was delicious!

## CLASSROOM ACTIVITIES

### Future Prime Ministers in K/1

**This morning the K/1 classroom were discussing and watching stories about what they would do and change if they were Prime Minister of Australia. I wonder if any of them will end up in politics!!! What about PM Kye Anderson? Or Opposition Leader Chloe Meacham? You never know....**

### Writing in 5/6

Today the 5/6 class have been working on their writing. They have done a lot of hard work on "Sizzling Starts" That sounds interesting maybe ask your kids about it tonight.
