## PRINCIPALS REPORT

What a busy week we have had at St Joseph's and can you believe we are in Week 6 already. Last week as a staff we had a get together to bid farewell to Mrs Rorato for a short time as she finished on Friday for maternity leave. The staff and students wish her and Allan well for the upcoming arrival of Rorato No.3 and we are all looking forward to some pictures of the new bub.

Staff are currently working on Semester 1 student reports and we hope they will be distributed in Week 9 of this term. As we are using the new Compass system for our reports this semester they will be in a slightly different format and we are also hopeful that this will be available electronically through the new parent portal. I am sure parents and students don't need a reminder about the Queens Birthday long weekend. Please enjoy the day and stay safe on your travels.

Next Friday is also our PJ Movie Night and parent social get together. We are hoping that both, but if not at least 1 parent is able to attend. This meeting will provide direction for our future fundraising and social events. We hope this is a great start to our new parent council structure.

## NEW COMPASS SYSTEM

The new Compass SMS system is now up and running. If your child is marked as absent at 10am without an explanation you will receive an text & link asking for a reason for their absence.

This week the Compass Parent Portal will also be switched on. Parents will receive their username and password to gain access to the portal today and instructions have been emailed out on what to do. We ask that all families please log in and have a look at the new parent portal as over coming weeks important information will become available.

# CLASSROOM ACTIVITIES

## Matilda's Baptism

A big congratulations to Matilda Anthony on being Baptised last Wednesday. Our students were on their best behaviour in the church to witness the event. Thank you to Father Blaise for his time and a special thanks to Gayle for the delicious cake we all enjoyed after the service.

## 5/6 Jerilderie Hospital Visit

Last Wednesday was a busy day as our 5/6 class along with Mrs Rorato and Miss Leahy walked down to the Jerilderie Hospital and spent some time with the residents playing Bingo. The kids had a great time with Matthew & Tyler as well as Mrs Rorato winning a few games. Thank you to the Jerilderie Hospital staff for inviting us to visit.

## Local Health Denist Visit

Today many of our students were fortunate to visit the free dentist at our school. Students were sent in small groups and the lovely ladies took time to educate them on looking after their teeth and gave them a quick check up and fluoride treatment. Any students needing extra treatment will be contacted to arrange further appointments. Some of our students were a little bit nervous but loved the experience in the end. The ladies also asked me to pass onto everyone that this free dental service is available anytime in Berrigan or Deniliquin for children. To make appointments please call 1800450046.

## Todd Woodbridge Cup Tennis

This Friday 7th June our 2/3/4 class will be travelling to Finley on the Willawa Bus to participate in the Todd Woodbridge Cup. This competition is a relaxed but competitive event of Hot Shots modified tennis. The group will be leaving school at 9am and travelling to the Finley Tennis Club and will be finished at 12.30pm and return to school.

Students will need to pack their recess, lunch and bring a drink bottle and wear their sports uniform. If you haven't completed your online permission note please do so asap.

## UPCOMING EVENTS

### LIONS PUBLIC SPEAKING

Our 3-6 students are currently working on their speeches for the upcoming Lions Junior Public Speaking. As in previous years students will prepare a speech on a given topic and present it at school, on Tuesday 18th June. Winners at school level will then compete at the Lions Club Dinner at the Jerilderie Sports Club on Monday 24th June. The topics for this year are as follows:

Years 3-4 - The day I went into outer space and met an alien.....

Year 5-6 - Do you ever read a book and imagine what it would be like to be there... in the story... as one of the characters, or as yourself alongside the other characters? Thinking about an imaginary place from your favourite book, tell us about this place, describe how you see it in your imagination, what it would be like to live there, and how you would be written in as part of the story.(Include the name of the book)

St Joseph Jerilderie

Friday the 14th June 6:00 - 8:30pm

## MOVIE NIGHT

BYO: Pillows, blankets, teddy's and more.

There will also be a half time intermission with fun games.

Wear your PJ's

It's a gold coin entry.

If any parents could assist with supervision for our movie night it would be great!

Snacks available on the night. A google form for snack orders will be sent out closer to the night.

## SCHOOL COUNCIL NEWS

### Angel Bay Burgers

The P&F still has some leftover frozen Angel Bay Hamburgers. If anyone would like some please see Cath Rorato or Carmen at the office.

### Movie Night & Parent Meeting

Please put Friday 14th June in your calendar as we will be holding a Movie Night for the kids and a social and fundraising parent meeting. We would love to see as many families as possible attending.

### IGA SHOPPER DOCKET PROGRAM

Please continue to send in your IGA shopper docket regularly. The school receives 1% of all shopper docket that are presented. Dockets must be handed in and collated monthly to be eligible so please send them in each week or fortnight.

# COMMUNITY NEWS

## Jerilderie Netball Club - Yarrowonga Netball Carnival 02/06/19

Last weekend some of our students participated in this carnival and Janine asked that the reports be included in this weeks newsletter.

Under 11's - What a great weekend of netball the under 11's have had! We played 5 games and all our girls showed off their developing skills! Shaylee Burt, Josie Hurd and Cheyenne Tucker are working hard in the defence end, with Shikaya Hall, Jess Wilkinson and Addison Baker moving it through the centre smoothly and Ruby Neessen, Tilly Anthony and Lillian Baker working the goal ring to make the score count. Well done girls I'm super proud of your efforts today!

Under 13's - The girls played 5 games, this was a great opportunity to play new teams from outside our league. We were very pleased with all the girls efforts today bringing everything they had onto the court. Their team spirit and encouragement was outstanding and the girls never dropped their heads, although there are skills to work on. We will keep our heads up and keep on learning. Fantastic job girls!
