## WHERE DID THE HOLIDAYS GO?

Holidays sure did fly by and it's hard to believe with these cold mornings that by the end of term we will be getting that lovely spring weather. At the end of last term we successfully sent our reports via the online system COMPASS and although it was a slightly nerve wracking first time experience for use we hope it was all very straight forward on your end. If you wish to print your reports you can easily do so from home using you login details for COMPASS.

Our teachers are looking forward to sharing our 2nd parent teacher meetings with you next week. The booking process for this will be online and through COMPASS and as previously it will be first in first served. This will be our first time using the COMPASS booking system and our trial runs have been successful and very straight forward for parents. By clicking the 3 horizontal lines in the top left corner the drop down menu appears and you can select conferences to make your booking. If the available times are unsuitable for you please contact the office to make other arrangements.

Our new Yr 6 Ministerial roles will be presented at this Fridays assembly. We have been very proud of the new responsibilities and leadership that our ministers have displayed in the 1st semester. I know from sitting down with our ministers that they have some big plans for what they will hopefully achieve in the coming semester.

Our Charlie and the Chocolate Factory excursion to Melbourne has been confirmed with with 65 tickets reserved for our students, teachers and parents. We will send out student permissions and expressions of interest for the parents and the first parents to pay the \$80 for adults tickets will have their spot reserved. Please be aware that we are intending to book a 57 seat bus for transport, this will mean some parents will have to drive.

# SCHOOL & CLASSROOM EVENTS

## Commonwealth School Banking

**Due to Carmen's absence over the next few weeks students banking maybe held over until Wednesday's to be processed by Kirstie. Please don't be concerned if the bank books don't come home Tuesday afternoon. They will be sent home Wednesday.**

## Winter Hot Lunches

Please consider sending your child's lunch in a thermos if you would like them to have a hot lunch on these cold days as it becomes difficult if many children need their food heated in the microwave and then doesn't allow the staff time to heat their lunches before playground duties. We also ask that anything requiring hot water such as cuppa soups and noodles not be bought to school. These are a burning hazard for our students.

## UPCOMING EVENTS

### **Pupil Free Day!**

Please note that Friday 9th August is a pupil free day.

All staff will be attending an inservice with staff from St Joseph's Finley.

### Parent Teacher Interviews

From Monday-Wednesday of week 2 next term we will be holding Parent Teacher interview. The booking system will be similar to what has been used previously. Again please be aware that it will be first in first served for the booking times.
