## PRINCIPALS PARAGRAPH

Yesterday we welcomed Bobby(Yr 4) and Kizzi(Yr 5) Moore to our school community. They have had a great couple of days in our school and we look forward to continuing to get to know them.

Last Friday we excitedly hosted a Pupil Free day for staff from St Joseph's Finley and St Peter's Colleambally. The day focused on the Catholic Dioceses of Wagga Wagga initiative of Lyn Sharrat and her 14 Parameters for school improvement. Staff completed writing moderation and mock case management meetings to build a shared understanding. We also spent a large part of the day on our school values. We are looking forward to sharing with our school community some of the changes we will be soon implementing to better support our students.

We have extended our 2020 Kinder Enrollment Applications until **Friday 23rd August**. Please share this information with any parents who are considering our school for the child in 2020. Any application after this date will be considered on a case by case basis.

Finally our Semester 2 Ministers have begun their roles, with many having already or are soon to meet with their aligned teacher to plan events and improvements to our school. We are looking forward to working closely with these Ministers to bring some of their ideas to fruition.
